

Somerset Local Account

Have your say

Somerset County Council publishes a Local Account of Adult Social Care Services to let people know how we are doing, what we deliver, how much services cost and future developments. You can influence the future shape of services by adding your views and experiences to our Local Account. We want to know what works well, what challenges you face and how we can improve. This will help us plan and tailor services to what people say they need. See details below on how you can complete a survey to have your say.

If you would like a copy of the survey, please telephone Healthwatch Somerset:
01823 751403
